What shall we say then? Shall we go on sinning, so that grace may increase? By no means! We are those who have died to sin; how can we live in it any longer? Or don't you know that all of us who were baptised into Christ Jesus were baptised into his death? We were therefore buried with him through baptism into death in order that, just as Christ was raised from the dead through the glory of the Father, we too may live a new life.

If we have been united with him in a death like his, we will certainly also be united with him in a resurrection like his. For we know that our old self was crucified with him so that the body ruled by sin might be done away with, that we should no longer be slaves to sin – because anyone who has died has been set free from sin.
